

International Village Clinic Annual Report 2019

We visited IVC and saw the appreciation in the eyes of the mothers and children. My gift goes directly to preventing blindness, disease, malnutrition and encouraging family planning. It has been a life changing experience for us. Nothing I have done in my 76 years has given me more satisfaction than funding IVC. Contact me reallyoldtexan@hotmail.com about helping IVC.

“In November 2019 I flew alone to India specifically to visit the IVC clinic and nearby World Class English School. I witnessed how IVC professional staff so beneficially, and efficiently, impact the lives of tens of thousands in that highly populated, impoverished and underserved region. Abul Sharah is deservedly known there as a “Champion for the Poor.” There is no humanitarian cause more worthy of my unqualified support.”

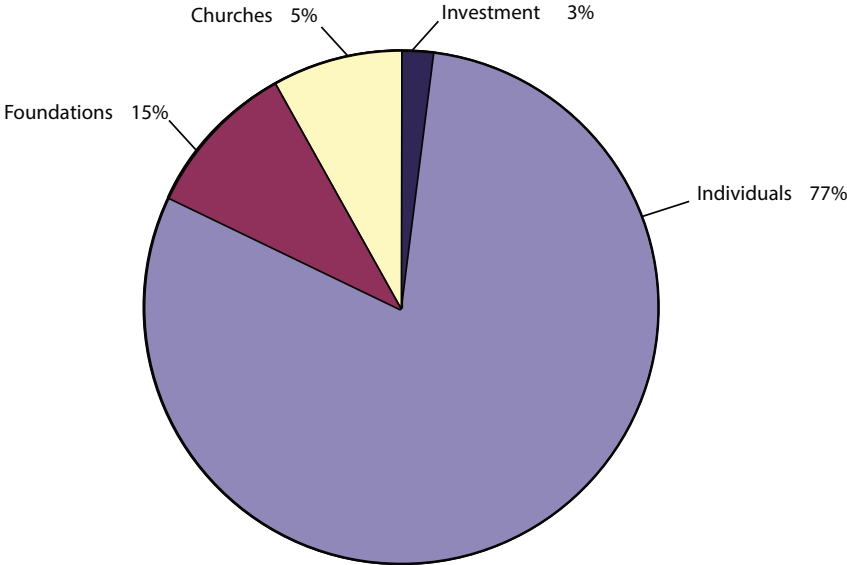

New Programs in 2019

- New class UKG added to our World Class English School. Now we have three classes, Nursery, LKG, and UKG.
